# The Spaces

Studio Space / Meetings / Event Space / Function Rooms

Having the flexibility of three different spaces for interior shoots, gives us every opportunity to exploit the central heating and tea on tap.

Each space offers something different - whether it's a performance space you need, a studio backdrop setup, or you just like the blank canvas.

# The Studio

This multifunction space is our primary studio unit, coming equipped with a large 4m x 8m white paper backdrop. It's also a great space for meetings and exhibitions. The large street facing window means plenty of natural light too.

Being on the ground floor, access is easy from the street, making it easy to bring kit in and out. If you need additional equipment for your shoot, just ask!

Hire Rates	/ Standard Rate	/ Overtime
	£145 (10 hours)	£25 per hour
	£80 (5 hours)	
	£35 per hour (2hr min)	

# The Green Room

This south facing, daylight flooded room on the 2<sup>nd</sup> floor is a perfect space for an additional studio setup, event hosting, receptions and more. Even a local ballet school uses this room once a week.

The Green Room features a small bar/kitchenette and measuring over 300 sq. feet, this is a perfect multifunctional space.

Hire Rates	/ Standard Rate	/ Overtime
	£120 (10 hours)	£25 per hour
	£65 (5 hours)	
	£20 per hour (2hr min)	

# The Red Room

This two-tiered ex-snooker hall comes fully equipped with a fully light bar rig setup, stage lamps and a lighting and sound desk, making it a perfect space for performance as well as an alternative to photo and video studio. It's also used regularly for black box theatre and pop-up cinema. Maybe we should do a fashion show sometime?

The Red Room is currently undergoing some transformation – new windows, a vaulted ceiling, upgraded lighting rig and mixing desk. We can't wait!
